

PROCLAMATION

Whereas, Skill Builders Solutions Inc., as a non-profit organization dedicated to constructing futures, steadfastly believes in the transformative power of apprenticeships in cultivating a skilled and resilient workforce;

Whereas, apprenticeships provide pathways for hands-on training, skill acquisition, and professional development, fostering a bridge between educational endeavors and practical workforce demands;

Whereas, these programs are instrumental in facilitating career advancement and economic mobility, particularly for individuals from underserved communities, thereby contributing to a more diverse, inclusive, and dynamic workforce;

Whereas, the collaboration between educational institutions, industry leaders, local businesses, and community organizations is paramount in nurturing, developing, and expanding the reach and effectiveness of apprenticeship programs;

Whereas, apprenticeship programs align closely with the mission of Skill Builders Solutions Inc. to create training and apprenticeship opportunities, establish career pathways, and forge strategic collaborations that build a skilled workforce for the future;

Whereas, National Apprenticeship Week is an opportune moment to highlight the success of apprenticeships and to encourage the growth and diversification of these programs;

Now, therefore, I, Jenna Colvin, as President of Skill Builders Solutions Inc., do hereby proclaim our organization's unwavering support for National Apprenticeship Week. We pledge to actively advocate for, support, and invest in apprenticeship programs as a cornerstone for workforce development and economic prosperity.

We call upon educators, employers, policymakers, and community leaders to join us in this critical endeavor, acknowledging the significant role of apprenticeships in shaping the careers and futures of countless individuals.

Furthermore, we commit to fostering an environment where apprenticeships are celebrated and recognized as a key component of lifelong learning and career progression. We shall endeavor to raise awareness about the benefits of apprenticeships, promote the expansion of diverse and accessible programs, and support the apprentices who are integral to our nation's workforce.

In witness whereof, I have hereunto set my hand and the seal of Skill Builders Solutions Inc. this 15th day of November, 2023 in honor of National Apprenticeship Week and in solidarity with all who support the mission of building a skilled and future-ready workforce.

Jenna Colvin
