

PROSCORE TECHNOLOGIES

NATIONAL APPRENTICESHIP WEEK PROCLAMATION

WHEREAS, ProScore Technologies recognizes the urgent need to prepare and maintain an inclusive, diverse, and highly skilled workforce that is capable of meeting the demands of the industry we serve, fortifying our economy, and creating a base of skilled workers to fill skilled jobs;

WHEREAS, Registered Apprenticeship programs enable employers to develop and train their future workforce while offering career seekers affordable paths to secure high-paying jobs, setting individuals on a career path with unlimited potential;

WHEREAS, ProScore Technologies recognizes the role of Registered Apprenticeships in expanding workforce opportunities to include individuals who have been historically underserved, marginalized, and adversely affected by persistent poverty and inequality—thus providing a path for all qualified individuals, including women, youth, people of color, rural communities, justice-involved individuals, and individuals with disabilities, to become apprentices and contribute to America’s industries and the trades;

NOW, THEREFORE, I, Michael Kowalski of ProScore Technologies, call on our industry partners to recognize the value of Registered Apprenticeships and to promote industry awareness and expansion during the tenth anniversary of National Apprenticeship Day on April 30, 2025.

IN SUPPORT,

Michael Kowalski
