Join California in celebrating the first National Youth Apprenticeship Week (YAW), which will take place May 5-11, 2024. YAW is a nationwide celebration that highlights the benefits and value of Registered Apprenticeship program opportunities for youth, ages 16–24. In partnership with the Interagency Advisory Committee on Apprenticeships (IACA) Homeless & Foster Youth Subcommittee, the California Department of Social Services, the California Department of Industrial Relations (DIR) and its Division of Apprenticeship Standards (DAS) are proud to present a webinar on "Expanding Youth Apprenticeship Opportunities for Underserved Populations" in celebration of national YAW. This event is ideal for educators, community-based organizations, intermediaries, local education agencies, labor unions, employers, and other stakeholders eager to make a difference in the lives of California's most vulnerable youth. Don't miss the opportunity to connect, learn, ask questions, and collaborate for change.

DAS Chief Curtis Notsinne said: "Youth registered pre-apprenticeship and apprenticeship programs offer a wholistic ecosystem designed to uplift opportunity youth, dismantle career barriers, and offer youth the launch pads they need to ignite fulfilling careers."

The webinar includes presentations on:

- What is an apprenticeship vs. pre-apprenticeship?
- Who are California's most vulnerable youth?
- How can a Registered Apprenticeship be beneficial in career planning to this population?
- What are some unique challenges/barriers?
