WHEREAS, Randolph Community College recognizes the urgent need to prepare our students to address some of our nation's pressing workforce challenges such as rebuilding our country's infrastructure, addressing critical supply chain demands, supporting a clean energy workforce, modernizing our cybersecurity response, and responding to care economy issues; and

WHEREAS, Youth Apprenticeship programs enable employers to develop and train their future workforce while offering career seeking student's affordable pathways to high paying, good, quality jobs and well-paying careers and the ability to advance in those careers; and

WHEREAS, Randolph Community College recognizes the role of Youth Apprenticeship in expanding opportunities in our workforce that are inclusive of young people who have been historically underserved, marginalized, and adversely affected by persistent poverty and inequality, thus providing a path for all qualified individuals, including women, people of color, rural and tribal communities, justice-involved individuals and individuals with disabilities, to become apprentices and contribute to America's industries; and

WHEREAS, Randolph Community College recognizes the pivotal role educators, school counselors, and educational institutions serve in not only bringing awareness of Youth Apprenticeship opportunities to students and parents, but also serving as training providers, sponsors, and intermediaries.

NOW, THEREFORE, I, Dr. Shah Ardalan, President/CEO of Randolph Community College, call upon educators and local industry partners to recognize the value of Youth Apprenticeship, and to promote industry awareness and expansion during the inaugural event of Youth Apprenticeship Week — May 5, 2024, through May 11, 2024.
