

Youth Apprenticeship Week Proclamation
May 5-11, 2024

Whereas, the Nevada Contractors Association recognizes the importance of invest in the future workforce of our state; and

Whereas, apprenticeship programs provide invaluable opportunities for the community to gain practical skills and experience in various trades, fostering career development and economic growth; and

Whereas, Youth Apprenticeship Week celebrates the contributions of apprenticeship programs in preparing the next generation of skills workers, promoting innovation, and enhancing the competitiveness of our industries; and

Whereas, the Nevada Contractors Association is committed to supporting and promoting youth apprenticeship initiatives across the state, working collaboratively with educational institutions, government agencies and industry partners; and

Whereas, through the collective efforts of stakeholders, we strive to create pathways for youth to explore and pursue rewarding careers in the construction and related trades;

Now, therefore, it is proclaimed that the Nevada Contractors Association hereby designates May 5-11th, 2024 as Youth Apprenticeship Week. We encourage all citizens, businesses, organizations and educational institutions to join us in recognizing and celebrating the importance of youth apprenticeship programs in building a skilled workforce for the future.

In Support,

Karen Gomez
