Introduction to National Apprenticeship Week

This year marks the 10th Annual [National Apprenticeship Week \(NAW\)](#), which will take place from November 17-23! NAW is a nationwide celebration where employers, apprentices and graduates, industry representatives, labor organizations, community-based organizations, workforce partners, educational institutions, and Federal, State, and Local government agencies host events to showcase the successes and value of Registered Apprenticeship for strengthening our economy by developing a highly skilled workforce to meet industry needs, creating pathways for career seekers to catapult into good jobs, and advancing racial and gender equity.

The theme for NAW 2024 is “**National Apprenticeship Week 2024: Celebrating 10 Years of Engagement, Expansion, and Innovation.**” This theme reflects the transformative power of Registered Apprenticeship and its ability to bring together key national, regional, state, and local stakeholders across the country to meet critical workforce needs. Since NAW’s inception in 2014, Registered Apprenticeship has gained increased recognition as a tool to create the highly skilled workforce necessary to modernize our country’s infrastructure, build clean energy technologies, address cybersecurity threats, and build a stronger care economy, while also creating essential on-ramps for job seekers to enter into robust career pathways.

This year offers us a unique opportunity to spotlight the significant progress made not only nationally as a whole, but also within individual regions and states – thanks to the hard work of so many ApprenticeshipUSA partners. Registered Apprenticeship is recognized as a key strategy to improving job quality, and creating access to good-paying, family-sustaining jobs for all. We intend to especially highlight how the role of Registered Apprenticeship has grown exponentially both in relevance and stature while continuing to be a key component of our nation’s sustained economic growth.

Get involved by hosting an event or signing and submitting a proclamation. The many events held during NAW provide an opportunity to highlight the benefits of Registered Apprenticeship for employers and career seekers alike. Registered Apprenticeships provide a viable career path to good jobs for everyone. For additional guidance on hosting virtual events, download the Guide to Hosting a Virtual National Apprenticeship Week Event at [Apprenticeship.gov](#).

NAW is a great way for people to learn more about Registered Apprenticeship by participating in an event. DOL encourages you to [visit our website](#) to check out the events focused on your industry or area of interest, register to attend an event, and learn more about Registered Apprenticeship.

Key Messaging

About Registered Apprenticeship

- Registered Apprenticeship is an industry-driven, high-quality career pathway where employers can develop and prepare their future workforce, and individuals can obtain paid work experience, receive progressive wage increases, classroom instruction, and a portable, nationally recognized credential. Registered Apprenticeships are industry-vetted and approved and validated by the U.S. Department of Labor or a State Apprenticeship Agency.
- Registered Apprenticeship is a work-based training model that can be instrumental in serving individuals who have been historically underserved, marginalized, and adversely affected by

persistent poverty and inequality by allowing apprentices to earn while they learn and providing a pathway to well-paying careers.

- Registered Apprenticeship programs enable employers to develop and train their future workforce while offering career seekers affordable paths to secure high-paying jobs. Registered Apprenticeships can also help employers:
 - Recruit and develop a diverse and highly skilled workforce that helps grow their business.
 - Improve productivity, profitability, and an employer's bottom line.
 - Create flexible training options that ensure workers develop the right skills.
 - Receive tax credits and employee tuition benefits in participating states.
 - Increase staff loyalty and retention of workers, during and following the apprenticeship. For example, 94% of apprentices retain employment after completing a Registered Apprenticeship program with an \$80,000 average starting salary.
- Registered Apprenticeship provides a critical talent pipeline that can help to address some of our nation's pressing workforce challenges, such as teacher shortages, and can meet key infrastructure workforce needs in advanced manufacturing, clean energy, cybersecurity, and more.
- Additionally, Registered Apprenticeship provides an opportunity to make good jobs more accessible to populations that have been underrepresented in the workforce, including women, people of color, people with disabilities, and others. We have a historic opportunity to address these inequities and must take steps now to ensure that everyone has access to these high-quality, well-paying, good jobs.
- Apprenticeship programs are distinguished from other types of workplace training models by several factors:
 - Registered Apprenticeship programs are jobs from day one, and apprentices earn family-sustaining wages from their employers, allowing them to earn and learn at the same time.
 - Registered Apprenticeship programs provide structured on-the-job learning and job-related classroom training, some with articulation agreements with 2- and 4-year colleges, including minority-serving institutions.
 - Apprentices earn wage increases as they learn and gain new skills.
 - On-the-job learning is conducted in the work setting under the direction of a mentor(s).
 - Training results in a portable, nationally recognized credential.
- We also have growing evidence that Registered Apprenticeship is one of the most effective, workforce training strategies available:
 - The median estimate of the employer's return on investment in Registered Apprenticeship is 44.3%.
 - The average starting wage after completing a Registered Apprenticeship program is \$80,000.
 - An estimated 94% of apprentices retain employment after completing an apprenticeship program.
 - Workers who complete Registered Apprenticeship programs earn an average of \$300,000 more over their career when compared to peers who do not.

- Recent evaluations also show that pre-apprenticeship, supportive services, and other strategies are effective in promoting greater equity and inclusion in Registered Apprenticeship.
- Registered Apprenticeships can be found in all industries, such as clean energy, cybersecurity, healthcare, information technology, financial services, childcare, K-12 education, transportation, engineering, and advanced manufacturing.
- Since Registered Apprenticeship is a flexible model, programs can be customized to meet the needs of every business and industry.

- NAW provides an opportunity for stakeholders to organize events that can continue the national dialogue across the country on how to increase equity to ensure registered apprentices reflect the communities in which they work.
- Over the last nine years, NAW has spurred over 9,960 events, 1,825 proclamations, and 1,400,000 attendees across the country.
- Events and activities have included apprenticeship program open houses for career seekers, skills competitions, community forums, apprentice graduations, business open houses, high school or college career fairs, apprenticeship signing days, industry roundtable events, diversity, and inclusion dialogues, and more.

Event Planning Checklist

If you're planning an event for NAW, this checklist will help get you started.

Six or More Weeks Out

- Determine date, time, and format of event.
- Recruit internal volunteers and assign roles as applicable (invitations, set up, social media posting, employee communications, publicity, etc.).
- Reserve location for event.
- Coordinate Audio/Visual (A/V) and other vendor needs.
- Develop general invitation and registration list (see invitation tips below).
 - Consider creating an online event (Facebook, EventBrite, etc.) so information is more accessible.
 - Ensure your organization has a strategy to include diverse populations:
 - Include diverse populations/stakeholders/employers on the invitation list.
 - Include diverse representation in all your visual marketing campaigns.
 - Ensure hosts are reaching event participants from underrepresented populations, highlighting and increasing outreach to minority-serving entities, minority-owned businesses, and minority trade and professional organizations.
 - Ensure underserved communities and underrepresented populations are included in the planning of the event and strategy to increase apprenticeship opportunities for minorities in various career pathways and industries.
 - Assess need for accessible technologies and other related accommodations.
 - For more information on Diversity and Inclusion in Registered Apprenticeships, go to [Apprenticeship.gov](https://www.apprenticeship.gov).
- Coordinate speaker/panel if applicable.
- Develop agenda for event, including talking points, hand-outs or one-pagers, and PowerPoint presentations, if needed (see the sample agenda in this toolkit).
- Announce event internally as appropriate.
 - Newsletter inclusion, intranet content, staff meetings, etc.
- Begin promoting your event, including press release distribution, media pitching, social media posts using #NAW2024 and #ApprenticeshipUSA, online community calendars, an announcement on your website, etc. (For tips and content ideas, download the NAW Promotion Toolkit at [apprenticeship.gov/NAW](https://www.apprenticeship.gov/NAW)).
- Send personal invitations to key stakeholders, if applicable (local industry, educational, and minority serving organizations in the community, important customers, youth organizations, veterans' groups, etc.).
- Invite additional attendees, if applicable (elected officials, local media outlets, families of employees, local businesses, students from local schools, etc.).
- Add event to the [NAW Website](https://www.naw.org).

Four Weeks Out

- Track and confirm event RSVPs.
- Refine event materials needed for speakers (e.g., talking points, presentations, etc.).
- Determine required safety equipment, if applicable.

- Post about event on social media using **#NAW2024** and **#ApprenticeshipUSA**.

Two Weeks Out

- Send invitation reminder to attendees who have not responded.
- Coordinate internal planning group to review event materials and confirm roles and responsibilities for the day of the event.
- Post about event on social media using **#NAW2024** and **#ApprenticeshipUSA**.

One Week Out

- Confirm details and logistics with speakers (e.g., special needs, etc.).
- Practice presentations with company spokesperson(s).
- Share final event materials with event speakers.
- Finalize attendee list.
- Post about event on social media using **#NAW2024** and **#ApprenticeshipUSA**.

Three Days Out

- Send reminder to confirmed attendees.
- Hold event run-through of event.
- Post about event on social media using **#NAW2024** and **#ApprenticeshipUSA**.

Day Before

- Set up event space, if applicable.
- Final run-throughs of presentations, if needed.
- Post about event on social media using **#NAW2024** and **#ApprenticeshipUSA**.

Day of Event

- Host event!
- Post about event on social media using **#NAW2024** and **#ApprenticeshipUSA**.

One to Three Days Post-Event

- Complete and submit [“Share Your Event Highlights!” form](#).
- Send thank you to any panelists or speakers in addition to attendees.
- Follow up on any questions raised during the event.
- Post photos of event on social media using **#NAW2024** and **#ApprenticeshipUSA**.
- Consider writing a blog recapping the event.
- Evaluate the event internally.
