CareerSource Tampa Bay, LWDB
CareerSource Chipola, LWDB

Project Purpose: To develop new and expand existing registered apprenticeships in the public safety sector including IT/cybersecurity, emergency medicine services, firefighters, telecommunications and green energy transportation. To enroll at least 450 individuals into the program in a combined training of both pre-apprenticeships and RAPs. To ensure that the underserved and underrepresented receive equity and inclusion in the enrollment in the project and opportunities to participate in well-paying and high-skilled apprenticeship training.

SUMMARY OF PROGRAM ACTIVITIES:

CommunityHealth IT (CommHIT), the lead **industry association** in the Good Jobs for All project will provide Registered Apprenticeship intermediary services throughout the nation to expand and develop new RAPs and pre-apprenticeships in a variety of needed public sector occupations including healthcare and clean energy apprenticeships. CommHIT is a current registered apprenticeship sponsor for the Technology and Health Apprenticeship Program.
