Idaho Manufacturing Alliance	Industry Association
Idaho Rural Water Association	Industry Association
Idaho Health Care Association	Industry Association
Council of State Governments	Intermediary
American Institutes for Research	Intermediary
National Institute of Innovation and Technology	Intermediary
Targeted Industry(ies) and/or Occupation(s): Traditional and non-traditional industries, such as the Care Economy (Healthcare, Childcare, Home Care, etc.), Climate/Clean Energy, Public Sector, Educational Services (K-12 Teachers), Technology/Cybersecurity, Transportation, Hospitality, and the Supply Chain (logistics, warehouse, transportation, and manufacturing, including but not limited to the manufacturing of semi-conductors and biomanufacturing).	
Summary of program activities: Provide core staffing to support, sustain, and improve capacity of the infrastructure and the systems built under previous grants to advance Registered Apprenticeships as a workforce development strategy and post-secondary education career pathway. Support and develop a statewide Registered Apprenticeship system to strategically engage industry and meet the demand for new programs in both traditional and non-traditional industries by expanding system capacity to significantly increase Registered Apprenticeship opportunities,	

particularly to underrepresented populations, and to take steps to facilitate their successful start and completion of RAPs.

Subrecipient Roles: List all subrecipients and the roles (activities) they will fill on the proposed project.

Roles should be aligned to proposed workplan:

No subrecipients

List of credential(s) to be awarded:

USDOL Registered Apprentice Certification
