Summary of program activities:
<ul style="list-style-type: none"> Building stronger partnerships with the State and local workforce, education, training, and economic development system.

- Utilizing funding to support drafting of policies and procedures to strengthen the Registered Apprenticeship system.
- Creating and improving outreach, marketing, and advertising materials and communication strategies for engaging employers, parents, educators, underrepresented populations, and other critical stakeholders.
- Training for business services teams and other workforce and economic development partners related to Registered Apprenticeship.
- Expanding the role of the business service representatives to embed the apprenticeship navigator functions within all local workforce areas.
- Improving employer engagement to increase RAP adoption for in-demand industries and occupations.
- Statewide meetings, such as industry sector meetings, convenings, TPM collaboratives, and Local Workforce Investments Boards (WIBs) directly related to expanding Registered Apprenticeship.
- Creating models and/or course curriculum for replication for in-demand occupations that meet employer needs.

Subrecipient Roles: List all subrecipients and the roles (activities) they will fill on the proposed project. Roles should be aligned to proposed work Plan.

- Local workforce areas – expanding capacity of business services teams to embed apprenticeship navigator functions
- Strategic & Creative Marketing Inc. – messaging, outreach, and awareness
- Northern Illinois University – project management
