Summary of program activities:

1. **Expansion:** Development or expand 100 RAPs or pre-apprenticeships supporting sponsors to adopt employment practices that promote high-quality jobs.
2. **Quality:** Achieve an average quality assessment score of 80% or higher across all programs, indicating strong effectiveness, curriculum relevance, employer engagement, and support services.
3. **Stakeholder Support:** Provide technical assistance to 100% of sponsors and employers in the development of Affirmative Action Plans that are in compliance with EEO and required under 29 CFR 30
4. **Innovation:** Develop and implement policies and procedures to better align RAPs with in-demand occupations and increase partnerships with employers and sponsors.
5. **Outreach:** Develop a robust marketing strategy for engaging employers, sponsors, job seekers, underrepresented populations, and other stakeholders concerning RAPs through outreach materials, media outlets, social media platforms, communication strategies and printed material to generate further support across the state.

Subrecipient Roles: List all subrecipients and the roles (activities) they will fill on the proposed project. Roles should be aligned to proposed work plan. N/A

List of credential(s) to be awarded:

- Nationally recognized credentials
- Interim credentials, certifications, aligned associates and bachelor degrees, and postsecondary credits as requested by sponsor and/or required by state licensure for occupations
