Targeted Industry(ies) and/or Occupation(s): Teacher Education, Care Economy, and Repair and Maintenance

Summary of program activities:

Goal 1: <u>Foster expansion and promotion of all RAPs through enhanced engagement with the</u> <u>regional workforce development system, high school Career Technical Education (CTE)</u> programs, and postsecondary education programs.

Activities: Build statewide capacity for RAP expansion through stronger alignment with the education and public workforce systems; increase Virginia Works staff capacity to provide training and resources to local workforce development and educational partners, explore new and continue partnerships with identified state apprenticeship partners, and support service trades by incorporating and expanding RAPs; build situational awareness and strategic capacity of Virginia Works, workforce development, and educational partners to support employers in developing RAPs to utilize tax incentives available through the Infrastructure and Investment Jobs Act (IIJA), Creating Helpful Incentives to Produce Semiconductors

(CHIPS) Act, or Inflation Reduction Act of 2022 (IRA); develop consistent messaging and outreach materials for statewide use by partners and stakeholders; and increase and support diversity, equity, inclusion, and accessibility (DEIA) in the RA pipeline.

Goal 2: <u>Create and expand RAPs in three high-need industries—Teacher Education, Care</u> <u>Economy, and Repair and Maintenance</u>.

Activities: Continue RAP partnerships between the VA Dept. of Education and local school districts to expand and support VDOE Registered Apprenticeship Teacher Program participants and implement RAP partnerships between Teacher Education, Care Economy, and Repair and Maintenance. to expand pre-apprenticeships, Youth Registered Apprenticeship Programs, and Registered Apprenticeship Programs.

Goal 3: <u>Continue to implement data sharing, system change, and governance requirements to</u> <u>comply with 29 CFR Parts 29 and 30 and ensure a strong and modernized RA system</u>.

Activities: Continue to work with the National Solicitors within the Office of Apprenticeship to obtain the approval of the Division of Registered Apprenticeship State Plan, which denotes 29 Part CFR 30 compliance with EEO elements and ensure Virginia Work's Compliance and Inclusion Expert will continue training with the USDOL OA/EEO team to customize assessment forms and obtain necessary approvals from the National Office of Apprenticeship.

Subrecipient Roles: There are no subrecipients.

List of credential(s) to be awarded: As appropriate per industry
