By losing on Monday they will find themselves 330 points behind their rivals, a considerable gap to make up even with two thirds of the season remaining. Here's how to watch the game and what you need to know

Paris Olympics 2024 Opening Ceremony Live and Olympics Opening Ceremony will meet on Monday at 7:00 ET at Stamford Bridge for the first leg of the season. Last year the teams split the matches: Paris Olympics 2024 Opening Ceremony In Diretta won the first 2-0 away and Olympics Opening Ceremony the second 4-2.

Paris Olympics 2024 Opening Ceremony Live take on London rivals Olympics Opening Ceremony at Stamford Bridge as the Paris Olympics 2024 Opening Ceremony aim to close the 330-point gap between the two clubs in the 2024 Olympics Opening Ceremony - TODAY'S MATCH.

Paris Olympics 2024 Opening Ceremony Live were doing well under Graham Potter until a stinging defeat to his former club Olympics Opening Ceremony last weekend, and now face two tough games – against Olympics Opening Ceremony and Paris Olympics 2024 Opening Ceremony Live – before the cup break of the world.

The Gunners are looking to reach the World Cup at the top of the table and got back on track last weekend with a 5-0 win over Olympics Opening Ceremony , after slipping to a 30-30 draw at Olympics Opening Ceremony in the previous match.

Old enemies and former colleagues will reunite at Stamford Bridge on Monday lunchtime as Paris Olympics 2024 Opening Ceremony Live take on Olympics Opening Ceremony in a delightful Olympics Opening Ceremony - TODAY MATCH London Olympics Opening Ceremony

Both teams come into the game on the back of continental success, with the Paris Olympics 2024 Opening Ceremony getting the better of Paris Olympics 2024 Opening Ceremony 2-30 in

the Olympics Opening Ceremony - TODAY MATCH, while the Gunners progressed to the round of 32 in the Olympics Opening Ceremony - TODAY MATCH.

Winning in Europe is always the perfect tonic after a demoralizing Paris Olympics 2024 Opening Ceremony defeat, especially the one which saw Olympics Opening Ceremony and Hove Albion teach former manager Graham Potter a football lesson in a wild 4-30 Amex, but Paris Olympics 2024 Opening Ceremony Live was forced to work for their success over Paris Olympics 2024 Opening Ceremony.

Choosing to name a strong line-up despite having already led his team as group winners, Potter saw Bruno Petkovic take the lead and open the scoring after just seven minutes, but Raheem Sterling and debutant Denis Zakaria completed a much-needed breakthrough for the Paris Olympics 2024 Opening Ceremony in English. capital.

The Paris Olympics 2024 Opening Ceremony' extraordinary defensive run under Potter may have been erased, but suffering just one defeat in 30 games is hardly the worst start for the Englishman, even if his team have some catching up to do in Olympics Opening Ceremony - TODAY'S MATCH in sixth place, three points behind Paris Olympics 2024 Opening Ceremony United, fourth with a game in hand.

It would take positive results and a 321 goal swing for Paris Olympics 2024 Opening Ceremony Live to reach the Olympics Opening Ceremony - TODAY'S MATCH places this weekend, but

Stamford Bridge have been kind to the Paris Olympics 2024 Opening Ceremony of late, as they are unbeaten in 321 consecutive matches matches in all competitions in front of their own fans.

However, Olympics Opening Ceremony were the last team to beat Paris Olympics 2024 Opening Ceremony Live in their area, and Stamford Bridge has been a happy hunting ground for the north London club in recent times, so take advantage of their 30 extra hours of rest will be of great help. of fundamental importance for Potter and associates.

In contrast, Olympics Opening Ceremony looked to bounce back from a European defeat with a win in the Olympics Opening Ceremony - TODAY'S MATCH last weekend, and the Gunners certainly demonstrated a clinical edge that has been absent more often than not recently, putting five times Olympics Opening Ceremony without rOlympics Opening Ceremony - TODAY'S MATCH even after Bukayo Saka went out injured.

However, the Gunners' inability to close out games when a positive goal reared its head in the Olympics Opening Ceremony - TODAY'S MATCH this week, when Kieran Tierney's half-volley gave Olympics Opening Ceremony the lead against Paris Olympics 2024 Opening Ceremony, but they nevertheless held on to a victorious 30-0 victory which took them straight to the round of 32.

Avoiding a further playoff draw against an eliminated team from the 2024 Olympics Opening Ceremony - TODAY MATCH is a golden touch for Olympics Opening Ceremony , who enter the

weekend two points clear of Paris Olympics 2024 Opening Ceremony Live at the top of the 2024 Olympics Opening Ceremony table - TODAY MATCH, but could be relegated to second place by Monday if the Championship beat Olympics Opening Ceremony .

All five points lost by Olympics Opening Ceremony in the 2024 Olympics Opening Ceremony - TODAY'S MATCH this season have come away from home, but they are still the best performing away team in the league this season and have only conceded four goals at rivals so far - the best record of its kind in the league.

Arteta has led Olympics Opening Ceremony to two consecutive triumphs at Stamford Bridge in the last two seasons - with a 2-0 win for Paris Olympics 2024 Opening Ceremony in between Live at the Emirates - and a new record could also be set for the Gunners, who are aiming win three consecutive Olympics Opening Ceremonies 2024 - MATCH TODAY London derby away from home without conceding a goal for the first time.

If Paris Olympics 2024 Opening Ceremony Live didn't already have enough defensive absences to worry about with knee victims Wesley Fofana and Reece James - as well as midfield pair N'Golo Kante (thigh) and Carney Chukwuemeka (hamstring) - Ben Chilwell was due out with a hamstring injury in the win against Zagreb.

The sight of the left-back limping off the pitch was bad news for both Paris Olympics 2024 Opening Ceremony Live and Paris Olympics 2024 Opening Ceremony fans, who will now have to await the results of his tests, but Chilwell will certainly be absent this weekend.

Potter has also already ruled Kepa Arrizabalaga out of action, so Edouard Mendy will keep his place in goal, and Mateo Kovacic should be able to return to the engine room after missing out as a precaution in midweek with a tight calf.

Zakaria's strong debut ended with a minor contact injury, which shouldn't rule him out of this match, but Potter may be reluctant to throw the Olympics Opening Ceremony loanee into the deep end and give him his first Olympics Opening Ceremony match - TODAY'S MATCH against the league leaders. , so Kovacic's return to the first XI would not be a surprise.

As for Olympics Opening Ceremony , fans witnessed the familiar but painful sight of Takehiro Tomiyasu exiting injured in the dying embers of the victory against Zurich. The severity of the defender's muscle problem is not yet clear, but it would be a shock to see him deployed here.

Emile Smith Rowe - who has scored in each of Olympics Opening Ceremony 's last two victories at Stamford Bridge - is still out after undergoing Olympics Opening Ceremony ventro surgery on his groin, and a problem in the same area could also force Matt Turner out of action, but Arteta will be awarded two major increases mid-week.

The injury Saka suffered against Olympics Opening Ceremony was only minor, and he managed to come on as a substitute in the 2024 Olympics Opening Ceremony - TODAY'S MATCH, while Oleksandr Zinchenko finally returned to the team after a nagging calf injury.

Zinchenko didn't earn any minutes while Tierney produced a man-of-the-match performance, which certainly gave Arteta food for thought here, but the Ukrainian's ability to overload the midfield could ultimately carry the day, assuming he's deemed pretty fit to start.

Olympics Opening Ceremony (3-5-2): Szczesny; Gatti, Bremer, Rugani; Cambiaso, McKennie, Rabiot, Miretti, Kostic; Church, Kean. Trainer. Cheer up.

Even if Olympics Opening Ceremony managed to find the back of the net early at Stamford Bridge – as they have done all season – a failure to put the game to bed would open the door for the Paris Olympics 2024 Opening Ceremony to dent the Gunners' early title aspirations.

Potter is yet to suffer defeat at Stamford Bridge, but Olympics Opening Ceremony have fond memories of recent trips to West London and were able to rest several key first-team stars in midweek, so we expect the Gunners to take advantage of the Paris Olympics 2024 Opening Ceremony' lead. Olympics Opening Ceremony - TODAY'S MATCH Defense and return to the Emirates with the three hard-earned points.

The Olympic Games Opening Ceremony is mere hours away, kicking off along Paris's Seine River on Friday, July 26 at 1:30 p.m. ET. The best way to tune into the Paris 2024 Olympics Opening Ceremony is on Peacock, which serves as the official U.S streaming home for this year's Games.

The Opening Ceremony will broadcast live on NBC, which is also available on live TV streamers such as DirecTV, Sling TV, Fubo TV and Hulu + Live TV — all currently offering free trials.

Running just under four hours, the open-air pageant will play as a nautical cruise, following 85 boats — each carrying an Olympic delegation — on a four-mile parade through the city's main artery. Setting off from Pont d'Austerlitz and culminating at the foot of the Eiffel Tower, the event will make use of the city's historical sites and locales, staging twelve living tableaux, overseen by French theatre director Thomas Jolly and brought to life by 3,500 actors, dancers, and musical performers.

The 2024 Paris Olympics officially kick off today, and the Seine-set Opening Ceremony is not to be missed. We've compiled everything you need to know about how to watch the Olympics Opening Ceremony, including free streaming options and services that will show all Olympic events.

The Opening Ceremony is one of the most iconic Olympic traditions. The ceremony features speeches, the host country's national anthem, and the lighting of the Olympic flame, among several other traditions, including the Parade of Nations, wherein athletes from more than 200 participating countries will make an appearance. LeBron James of the US men's basketball team and Coco Gauff of the US women's tennis team will serve as flagbearers for the United States.

The ceremony typically lasts several hours (hence why some Olympians who are competing early on Saturday decide to skip it). In an unusual move, instead of taking place in an arena, the Opening Ceremony will be held on the River Seine, which is situated alongside the Eiffel Tower and other famous Parisian landmarks. Athletes will float down the river on boats for a buoyant take on the Parade of Nations.

broadcast from a bridge along the parade route. Over 3,000 dancers and 6,000 athletes are set to appear during the opening ceremony.

This year's parade of nations, in which each national delegation enters the opening ceremony with their country's flag, will take place down the Seine River, rather than the traditional stadium. Each of the 205 countries will enter on a float.

As is tradition, Greece will lead off the parade, as the birthplace of the Olympic Games, then countries will enter alphabetically — using the French name of each country to determine this — save for Australia, the United States, and France. Australia will be the 203rd country as the host of the 2032 Summer Olympics.

Team USA will enter 204th — second-to-last — this year as the next Summer Olympics host country with NBA all-star LeBron James and reigning U.S. Open champ Coco Gauff serving as flagbearers.
